

A massive St John's well done to all our Silverdale Stars this week.

CURLEWS – Charlie L

For fantastic story writing with imaginative themes and accurate sentence structure.

Well done Charlie!

BITTERNS – Solomon

For having such a mature attitude and not only knowing about forgiveness but putting it into practice too

HARRIERS – All of Year 6

For working so hard and surviving SATS week! Well done Year 6!!!

Outside of School

We were so excited to celebrate Billy, Connor and Fabian in family worship on Friday 10th May. Billy registered to ride in the Welsh youth Hare and Hound championship. The groups in this event, are based on the size of your bike! Billy did 9 laps in an hour, which was amazing. He finished first in his class and 8th overall out of about 100 riders!

Connor won his class at the Fort William downhill 'enduro' mountain bike race – throwing himself down a course of berms and jumps – and surviving!!!

Fabian attended a HUGE Lego convention, where he met his Star Wars idols!

We are proud of all 3 boys and love how our children extend their gifts, skills and interests out of school. They show such courage and determination

New 'first' certificates in Mathletics

Well done to Seb for getting his 'first' platinum certificate

Seedling Swap

Thanks to Karen Bennet for inviting us to Seedling Swap outside the Institute next week. The children will enjoy choosing their seedlings and planting them

Lunches

Week 3 WC 20.05.24

It is with regret that we will be increasing the price of lunches to £2.60 in September. This is due to LCC putting up the prices for all schools.

Field and Fun Day

Field and Fun day is happening on **Sat 15th June 2024**. The committee are asking for field day raffle and tombola prizes. If you would like to donate a prize, please leave at the school office.

They also need all trophies back from last year asap. If you have or know anyone that has a trophy, please can you drop it in at school. School will also be having a little stall. We need ideas for this! Children will be selling loom bands and selling crafts made by our after school club. We also need volunteers.. If you can give half an hour on 15th June, it would be very much appreciated.

Friday Thought

In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.

Governor News

One of our wonderful governors and long time parent, has stepped down as he approaches the end of his term on the governing board. Steve Parry has supported school for 7 years as a governor, and much longer than that, as parent to Freya and Robyn. I haven't had chance to work with Steve for very long. However in the short time I have had, Steve has been such an encouragement to me. I couldn't have done the health and safety audits and the projects without him. Particularly, in that first term in my role as HT, where we completely revamped school and he was in with his screwdriver most days! We want to say 'thanks so much' for everything, to Steve and his family and we hope to see you again soon. This means we have two governor vacancies now. If you are interested, or know someone in the community who might be. Please get in touch with Miss Sanderson
